HEAD HOOKER'S MESSAGE

PAUL WELLS

Hi Guys,

Hope everyone is doing well!

Our next Zoom meeting is on Saturday, March 13 at 9 am. I hope all of you can join us. I enjoy seeing and hearing everyone. I will send a reminder email the week of the meeting. The ID and password will be the same as the last meeting.

Now that the vaccine is becoming more available, I'm hopeful that we will be able to resume in person meetings soon. As we talked about before, the Elks Lodge is up for sale. If we can find a place that meets our needs, we should probably make the switch when we are given the OK to resume in person meetings. If anyone knows of a place, please let me know. We will discuss this matter further at the Zoom meeting.

Stay safe!

FISHING CHAIRMAN'S REPORT

BOB SCHMIDT

Once again I hope everyone is doing OK. On the pandemic front the numbers are dropping and that is good news. A lot of our members are now getting their

Covid-19 vaccines. I still have one shot to go and will get it here shortly. I'm not holding my breath but maybe in the near future we all can get back our somewhat normal activities.

What's happening with the fishing in our area. "**Not Much**". There were a few of us out on Pardee on February 18 and the fishing was pretty damn slow. I had to leave before noon and got only 1 rainbow. Not sure what the others final count was. I know that **Sammy** and **Ron** had 2 and **Ben** and **Virgil** had nothing when I left. Most of the fish were being caught from shore around the boat ramp. When I tied up the boat I saw a large school of 20 or more swim under the dock. I was planning to go out again this last week but had no idea where to go. I did not hear any good reports lately. By chance Tuesday and Wednesday were way too windy to go out anyway. Thursday was a beautiful day so I spent the day with Debbie and we went out to get away from the house. Friday is my golf day with the guys from SIR Branch 150. I'll try again in the first week in March. I think it's time to try for some Stripers in the Delta.

At our next Zoom Meeting let's talk about where we should go fishing in March. Possible locations will be Pardee, Camanche or maybe the Delta. How about Collins Lake, something different?
Good luck Fishing and be Safe
